## WOMEN'S DAY

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. The campaign theme for International Women's Day 2021 is 'Choose To Challenge'. A challenged world is an alert world. And from challenge comes change. To know about few Indian Women Challenging this world,

## NEW OTT RULES

The rules also call for three-tier regulation mechanism for over the top OTT platforms like Netflix, YouTube etc. and require them to Self-classify their content into five categories based on age suitability.

Here is the link of new OTT rules announced by the government.

## ---NEW KEYWORDS---

### Technical

#### **DARK WEB**

The dark web, also referred to as the darknet, is an encrypted portion of the internet that is not indexed by search engines and requires special software and/or authorization to access content.

#### **DRILL DOWN**

If you want to get to the root of an issue, you merely drill until you reach it. This is the metaphor that has brought this term to the boardroom.

### Management
